MEMORANDUM FOR: Mr. James Q. Reber

SUBJECT : Two Army Talent Billets

1. Col Clair Keena called me and advised that:

[] had called Col Keena and informed him that Gen Cabell had requested Talent clearance for two Army officers in connection with the forthcoming Geneva conference. The TSO Army channel was already established but his conversation and the source of the request (Gen Cabell) was sufficient authority so that there was no need for me, in my opinion, to question the Army billet clearance. Col Keena gave me the two names, i.e., Lt Gen Edward Williams (from CONARC) and Brig Gen Mervin Magee (assignment unknown).

50X1

2. I asked Col Keena to provide the necessary memorandum to this agency which he will do.
